are grown in strictly controlled laboratory conditions to recreate the brilliance of natural gemstones. μ Water resistant accompanied by a rating (e.g. 50m) refers to a pressure test and does not signify a diving depth. '30m' or '50m' is suitable for swimming in light conditions and '100m' is suitable for surf swimming but not scuba diving. *Off the price at which these items have been ticketed and offered for sale in Canada over the 2 months before the sale commenced. Individual sales may have taken place at lower prices. Prices do not include applicable taxes. Catalogue stock only available in selected outlet stores. Offers are only available in Canada.
